This matter comes before the Public Service Commission of South Carolina (the Commission) on the request filed by Duke Energy Corporation (Duke or the Company) to expand its pilot of the Multiple Premises Service rate (Schedule MP (SC)) from 10 to 20 business entities. Considering the fact that the program is a pilot program, and therefore experimental in nature, we think that the Company is entitled to expand the program from 10 to 20 entities. The request is granted. The Company shall file ten (10) copies of the new schedule within ten (10) days of receipt of this Order.

This Order shall remain in full force and effect until further Order of the Commission.
